EDUCATION

M.Ed. in AI Convergence Education

2026

Ewha Womans University, Seoul, Republic of Korea

Thesis: *Design and Development of an Unstructured Data-Based Decision Support System for Elementary Homeroom Teachers' Student Guidance and Counseling*

Advisor: Prof. Hyo-Jeong So

B.A. in Elementary Education

2021

Seoul National University of Education, Seoul, Republic of Korea

Park, S.Y. (2024). Exploring Recent Trends in Domestic Intelligent Tutoring System Research and Implications for School Implementation. *2024 KAIM-KSET Joint Fall Conference*.

Choi, S., Kim, S., & **Park, S.Y.** (2024). Development of an AI-Based Written Complaint Processing System Prototype for Protecting Teachers' Rights: Perspectives from School Teachers. *2024 KAIM Spring Conference*.

RESEARCH EXPERIENCE

AI-E Lab: AI Convergence Education Teacher Research Group	2025
<i>Seoul Metropolitan Office of Education</i>	
Designed and evaluated a 10-session AI convergence education program for upper elementary students, using a co-design approach to examine students' AI literacy, and conceptual understanding.	
AI-Edventures: AI and Information Education Research Group	2026–Present
<i>Seoul Metropolitan Office of Education</i>	
Co-develop and implement a student-teacher co-designed AI education program, using generative AI and vibe coding to create interactive learning content and refine it through classroom feedback.	
Educational Technology Consultant For Reading Ocean System	2026–Present
<i>Redutech Corporation</i>	
Provided consultation on the classroom implementation of a digital reading platform that recommends books and diagnoses students' reading development using data-driven methods.	
Representative of Professional Learning Community: “Education Data AIvolution” 2024	
<i>Seoul Education Research & Information Institute</i>	
Led a professional learning community that examined the educational value and classroom application of learning data, learning analytics, AI tutors, and courseware.	
Advisor and Field Evaluator, AI Digital Textbook Project	2024
<i>Woongjin Corporation</i>	
Conducted classroom-based field evaluation of prototype AI digital textbook materials and provided evidence-based feedback on instructional effectiveness, usability, student engagement, and design improvements.	

TEACHING

Seoul Dogok Elementary School	2025–Present
<i>Seoul Metropolitan Office of Education</i>	
- Teach English to 4th and 6th grade students, designing communicative and student centered lessons that support language learning and classroom engagement. - Serve as Head of the Science and Information Department, supporting the school-wide integration of AI and digital technologies into teaching, learning, and administrative practice.	
Instructor and Supervisor, Gifted Education Program	2026–Present
<i>Seoul Dogok Elementary School</i>	
Operate the school's gifted education class, designing enrichment activities that foster students' inquiry, creativity, and problem-solving skills.	

Instructor, Summer Vacation Metaverse Camp 2023
Gangnam–Seocho Science Education Center

- Designed and delivered metaverse–based learning activities for elementary students.

Instructor, SW·AI Education Camp: Digital Sprout 2023–2025
Korea Foundation for the Advancement of Science and Creativity

- Taught SW, AI, and digital literacy programs for elementary students as part of a national initiative to expand digital and AI education.

Seoul Nonhyun Elementary School 2022–2024
Seoul Metropolitan Office of Education

- Served as a homeroom teacher for 1st and 4th grade students, supporting students' academic, social, and emotional development.
- Supervised an AI, digital technology, and physical computing student club, guiding students in coding, robotics, sensor–based projects, and computational problem–solving activities.
- Supported native English–speaking teachers with school communication, administrative coordination, workplace adjustment, and seasonal English camp operations.

TEACHER PROFESSIONAL DEVELOPMENT & LEADERSHIP

AI and EdTech Lead Teacher 2023, 2024, 2026
Seoul Metropolitan Office of Education

- Designed and delivered a professional development program for teachers focusing on data–driven instruction and the integration of AI and ITS in classroom practice.
- Demonstrated and shared open lessons that incorporated AI and ITS to support personalized learning, student engagement, and evidence–based teaching.

Workshop Instructor, AI and Digital Education Consulting for Teachers 2023–2026
Korea Foundation for the Advancement of Science and Creativity

- Mentored teachers participating in a national classroom innovation initiative.
- Provided guidance on instructional design, digital tool integration, and sustainable classroom innovation and Supported teachers in connecting national digital education policies with classroom–level practice.

Selected Master Teacher, AIEDAP AI–Integrated Lesson Consulting Program 2026
Ministry of Education, Republic of Korea

- Provided consulting for teachers on AI–integrated instruction, digital pedagogy, and classroom–based application of AI tools.

Presenter, AI Tutor Pilot School Best Practice 2024
Seoul Metropolitan Office of Education

- Shared classroom–based strategies for using AI tutors to support personalized learning, formative assessment, and student engagement.
- Discussed practical implications for school–level adoption of AI–supported learning systems.

COMMUNITY & ACADEMIC SERVICE

Reviewer	2026
<i>The Asia–Pacific Education Researcher (TAPER)</i>	
Student Volunteer for Festival of Learning(AIED, EDM, L@S)	2026
KERIS Online Educational Training Instruction for the Teachers	2026
Student Volunteer for KSET Spring Conference	2026
Remedial Education for Underserved Students with Learning Gaps	2021–2024
Volunteer for Online Mentor for Seoul Education Research & Information Institute	2019

HONORS AND AWARDS

Excellent Master's Thesis Award, <i>Graduate School of Education, Ewha Womans University</i>	2026
Outstanding Poster Presentation Award, <i>2025 KSET-KAIM Joint Fall Conference</i>	2025
Ministry of Education Scholarship for AI Convergence Education	2023–2026
Ewha Womans University Scholarship for In–Service Teachers	2023–2026
Alumni Association President's Award, <i>Seoul National University of Education</i>	2021
Minister of Education Award, <i>9th National University of Education Teaching Competition</i>	2019
Academic Excellence Scholarship, <i>Seoul National University of Education</i>	2017–2021

CERTIFICATIONS

Level 1, Elementary School Teacher Certificate, Korea	2025
<i>Issued by the Seoul Metropolitan Office of Education and recognized by the Ministry of Education</i>	
Level 2, Elementary School Teacher Certificate, Korea	2021
<i>Issued by the Seoul National University of Education and recognized by the Ministry of Education</i>	
– Qualifying for teaching at the elementary school level in Korea
